Bespoke Reception Desks

Our **Bespoke Reception Desk** offers a sleek and sophisticated solution for any modern workspace. The desk features a robust 18mm Swiss Krono laminated body, available in a choice of **white**, **black**, or a **custom NCS** colour to match your aesthetic. The front, sides, and top are wrapped in **4mm Lacobel glass**, with gloss white or black as standard, or fully customisable with unique colours or graphics like **marble effects**.

For an added touch of elegance, you can opt for **golden or silver** accents in the form of embedded logos, outlines, or strips. Additionally, **LED lighting** can be installed under the extended countertop, offering the choice of **neutral**, **cold**, **warm**, or **coloured light** to create the perfect ambience.

The desk's functional back includes **lockable drawers and cabinets** with shelves, featuring **silent closing systems**. The furniture is designed for convenience and can be customised for both **standing or sitting service**. The dimensions are adjustable to suit your space, with a standard width of **100 cm** and depth options ranging from **50 cm to 80 cm**, ensuring a perfect fit for your boutique, office or store layout.

Our desks are made to order, tailored to your specifications, and **delivered fully assembled**, eliminating the need for any further assembly. Whether you're outfitting a corporate lobby or a boutique reception area, this desk provides the ideal balance of design and functionality.

How to order?

1. Choose the Reception Design

Select your preferred reception desk model using the **product codes** from our catalogue. Alternatively, you can send us a short **description or sketch** of your desired layout.

2. Choose the Reception Colour

Pick from one of our popular options:

- · White Gloss
- · Black Gloss
- Marble Effect (choose from the examples in the catalogue)
- Or provide your own **custom graphic** (minimum resolution: **9000 x 7000 px**)

3. Choose the Back Configuration

Tell us how you'd like the back of the desk:

- · Colour: standard White or Black or bespoke colour from NCS pallet
- **Configuration**: choose from below (Set 1, Set 2...) or send your own configuration with number of Cupboards, Drawers, or Open space for legroom

4. Confirm the size

Standard width is **100 cm**, but you can request a custom size to fit your space (between 70-180 cm). Standard height is **110 cm** and depth **50 cm**.

5. Add Any Special Requirements

Let us know about any extras:

- · Company logo (we will need a vector file)
- LED lighting (top, bottom)
- · Gold or silver stripes, skirting boards etc
- Delivery address
